Internships

Social Internship at Rashita welfare society

Editor and Designer

During my social internship at Rakshita Welfare Society, I utilized my design and editing skills to create posters that effectively showcased the NGO's work, enhancing their ability to present their initiatives to a broader audience.

Projects

Designer

Designed a sleek, user-friendly website in Figma for ICACSDF 2025, showcasing event details and enhancing user engagement.

Position of responsibility

Microsoft Technical community

Associate Head – Design team (since Jan 2024)
